Farmingville, NY – On September 10, Councilman Kevin LaValle co-hosted with Teacher's Federal Credit Union, a "3 in 1" E-Waste Drive, Drug Take Back and Paper Shredding event at the Middle Country Library in Centereach. The event allowed residents to safely dispose of old prescriptions drugs, unused electronic devices for recycling and have their old paper documents securely shredded and recycled. More than 200 cars disposed of 4,895 pounds of e-waste, 7,300 pounds of paper, and 11 boxes of pharmaceuticals.

"The Town's e-waste, drug take back and paper shredding events have grown to be more popular year after year," said Councilman LaValle. "Thanks to TFCU and the Middle Country Library for co-hosting this event and to the residents who came out to participate. By recycling, we are doing our part to protect the environment and

make Brookhaven a cleaner, greener place to live."
